Specifications

## "PanelSet SFHD - outdoor heavy duty - front plinth - H200 W1200 IP55"

NSYSPFX12200

EAN Code: 3606480626234

### Main

|                                    |                                                                                                                                       |
|------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Range                              | PanelSeT                                                                                                                              |
| Application                        | Outdoor heavy duty                                                                                                                    |
| Accessory / separate part category | Enclosure accessory                                                                                                                   |
| Product or component type          | Plinth front                                                                                                                          |
| Application                        | Multi-purpose                                                                                                                         |
| Nominal dimensions of the housing  | -                                                                                                                                     |
| Device composition                 | fixing elements<br>4 corner cover<br>1 front panel<br>1 rear panel<br>4 corner                                                        |
| Range compatibility                | PanelSeT SF<br>PanelSeT SM<br>PanelSeT S3D<br>PanelSeT SFHD<br>PanelSeT PanelSeT CRNG<br>PanelSeT SMX<br>PanelSeT SFX<br>PanelSeT SDx |
| Mounting support                   | Set plinth side panels                                                                                                                |

### Complementary

|                |                                           |
|----------------|-------------------------------------------|
| Fixing mode    | By fixing element - on structure location |
| Surface finish | Untreated                                 |
| Height         | 200 mm                                    |
| Width          | Nominal: 1200 mm<br>Real: 1215 mm         |
| Product weight | 13.908 kg                                 |

### Environment

|                         |                        |
|-------------------------|------------------------|
| IP degree of protection | IP20 (complete plinth) |
| IK degree of protection | IK10                   |

### Packing Units

|                              |           |
|------------------------------|-----------|
| Unit Type of Package 1       | PCE       |
| Number of Units in Package 1 | 1         |
| Package 1 Height             | 19.500 cm |
| Package 1 Width              | 20.500 cm |

Disclaimer: This documentation is not intended as a substitute for and is not to be used for determining suitability or reliability of these products for specific user applications

|                              |            |
|------------------------------|------------|
| Package 1 Length             | 121.000 cm |
| Package 1 Weight             | 14.074 kg  |
| Unit Type of Package 2       | PAM        |
| Number of Units in Package 2 | 12         |
| Package 2 Height             | 80.000 cm  |
| Package 2 Width              | 100.000 cm |
| Package 2 Length             | 120.000 cm |
| Package 2 Weight             | 181.000 kg |

## Logistical informations

|                   |    |
|-------------------|----|
| Country of origin | IN |
|-------------------|----|

## Contractual warranty

|                      |    |
|----------------------|----|
| Warranty (in months) | 18 |
|----------------------|----|

## Environmental Data

Schneider Electric aims to achieve Net Zero status by 2050 through supply chain partnerships, lower impact materials, and circularity via our ongoing “Use Better, Use Longer, Use Again” campaign to extend product lifetimes and recyclability.

### Use Better

#### Materials and Substances

|                                        |                                                                                        |
|----------------------------------------|----------------------------------------------------------------------------------------|
| Packaging made with recycled cardboard | No                                                                                     |
| Packaging without single use plastic   | No                                                                                     |
| SCIP Number                            | 52da316e-d4e1-4114-85c0-32a03b2934fd                                                   |
| EU RoHS Directive                      | <a href="#">Compliant By Exemption</a>                                                 |
| REACH Regulation                       | <a href="#">Reference contains Substances of Very High Concern above the threshold</a> |

### Use Longer

#### Lifetime extension

|        |    |
|--------|----|
| Repair | No |
|--------|----|

### Use Again

#### Repack and remanufacture

|                                 |                                          |
|---------------------------------|------------------------------------------|
| End of life manual availability | No need of specific recycling operations |
| Take-back                       | No                                       |
